

# 5th International Heki Taikai

Baden-Baden-Steinbach 2013

Dear Presidents, dear Kyudoka,

I am to inform you that in 2013 the Budo Club Karlsruhe, with your help, will hold the International Heki Taikai.

We have chosen the following dates: **21-22-23 June**, the competition will be in Steinbach (Baden-Baden) Germany.

Because of the success of the past events, we are to give continuity to this initiative and propose for 2013, with the same formula, this important meeting between Kyudoka of the Heki School, trying so to carry on Mori Sensei's indications about exchanging information and friendship within the Heki School in Europe.

The maximum number of attending Teams will be 24, because the experience with the timing of past competitions will allow it. As in the past events, we will use the chronologic order of pre-subscription as a selection method. The pre-subscription ending date will be 28<sup>th</sup> February 2013. The ultimate date for the definite confirmation of participation and fee payment will be 31st March 2013. There will be a "waiting list" in which the Clubs submitting the participation request after reaching the maximum number limit will have the opportunity to attend the competition if one or more pre-subscribing Clubs would turn down.

The participation fee will be € 180 per Team (3 or 4 Kyudoka). The accommodation fee with full pension for the weekend is € 100/person in double room (for a single room an additional € 30 is requested. But please note that only a few single rooms are available). After pre-subscription we send you a definite program, which will not be much different from that of previous editions and information for payment:

- Friday 21 June: Arrival, check in (accommodation in sports school) and free shooting in the evening,
- Saturday 22 June: team competition on 20 arrows per Kyudoka,
- Sunday 23 June: individual competition on 20 arrows per Kyudoka.

The arrival on Friday is only possible from 2 pm and the meeting will end on Sunday approximately around 1.30 pm after lunch.

I wish you will welcome this initiative as an aggregation and constructive time.
