| <b>Way description:</b>   | <p><u>By car</u> use the express way BAB 7 (west tangent, direction to Kiel), exit "Stellingen". Follow the direction to "Hagenbecks Tierpark" and the streets: Sportplatzring, Koppelstr., Julius-Vossler Str., Grandweg until Veilchenweg.</p> <p><u>By train</u> to "Hamburg Hauptbahnhof" or "Hamburg Dammtor".</p> <p>From both stations you may use "Metro-Bus 5" in direction "Niendorf" until the bus stop "Veilchenweg", then take a walk for about 400 m to the dojo, see the map below.</p> <p><u>By plane</u>: Use the S-rail 1 (S-Bahn) from the airport to the central station. From the central station you can change to all directions (see: By train) or take a taxi from the airport.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| <b>Remarks:</b>           | Please bring matoya with nipple points to avoid damages on the azuchi.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
